

# artica - Bright White Home and Office Paper for efficient printing and printer

## Description

**artica** is formulated for everything modern-with you as the centerpiece; ensuring a stress-free, quality-proven printing and copying experience.

## Benefits

- Improved bulk and opacity for duplex printing
- Jam Free
- Precise cut edges; straight out of ream and into printer

## Environmental

**artica** is made from renewable fiber and locally grounded calcium carbonate is used as filler, reducing wood fiber usage. **artica** is produced by an ISO14001 certified mill.

## Production

**artica** is produced using Elemental Chlorine Free pulp.

- Ream: Paper/Polypropylene
- Box: Kraft
- Pallet: Plywood
- Shrink-wrap: Polyethylene
