

# NOVAL - Environmentally Friendly PEFC Certified Office Paper For Everyday Use

## Description

**NOVAL** is specially developed for printing in machines using both inkjet and xerographic principles. It is also formulated for problem free usage in high speed and high-volume copiers.

## Benefits

- Made from renewable PEFC accredited fibers
- Jam Free
- Precised cut edges means straight out from ream into printer / copier
- Improved opacity for dual sided printability

## Environmental

**NOVAL** is made from renewable PEFC accredited pulp. Locally grounded calcium carbonate is used as filler to improve smoothness and opacity while reducing wood fiber usage. **NOVAL** is neutral sized and produced by an ISO14001 certified mill.

## Production

**NOVAL** is produced using Elemental Chlorine free pulp.

- Ream: Paper / Polypropylene
- Box: Duplex Kraft
- Pallet: Plywood
- Shrink-wrap: Polyethylene
